MOTION TO CORRECT NAME LISTED
IN JUDGMENT AND COMMITMENT

NOW COMES, petitioner Christopher Williams Clemons (hereinafter) petitioner respectfully petitioning this Honorable Court to correct petitioner's name as listed in the committal Order of the Court (Judgment and Commitment).

Petitioner asserts that when he was arrested for the instant offense, in his possession was the identification of a Clinton French, which was an alias used by petitioner. During the arrest and booking procedure petitioner was asked his full name and he complied by informing the authorities that his full name was Christopher Williams Clemons. Through out the entire court proceedings petitioner was addressed as Christopher Clemons. However, when petitioner arrived at the designated institution within the Bureau of Prisons his Judgment and Commitment listed him as

Clinton French.

For the past ten years petitioner has been listed as Clinton French but has received mail as Christopher Clemons at numerous times, which have caused serious delays in the service of legal mail as well as its return to sender.

Moreover, it has hindered petitioner's effort in participating in college courses and other academically rehabilitative programs which are available to him. Prior to incarceration petitioner attended the University of William Patterson where he acquired credits which can be used toward further education. However, those credits are under his real name Christopher Clemons and not Clinton French.

Petitioner has consistently been involved since his incarceration with rehabilitative programs within the institutions in which he has been incarcerated and have received numerous certificates for such, but have been unable to go beyond this point due to the alias name of Clinton French.

Petitioner has sought out all forms of rehabilitative programs and has attempted to make the most of this lengthy sentence in which he has received (25 years). He has not had a disciplinary sanction since August 1999 and has been a model inmate, which has contributed immensely toward petitioner's active involvement in participating and teaching Adult Continuing Education Classes (ACE Courses).

In addition to that, petitioner is an active member of the Christian Community; presently involved in preparing men for

ministry, which consist of the teaching, preaching, and mentoring of men who desire to surrender their lives to Christ Jesus and begin living according to the moral values established through applying biblical principles to everyday life. For the past six years petitioner has effectively taught and touched the lives of many through the saving power of Christ Jesus; putting his pastbehind and constantly pressing on toward that future for which Christ Jesus has prepared for those who have surrendered their lives unto Him. The only remaining attachment to that former way of life is the sentence petitioner is serving and the name[s] attached to that sentence.

The United States Attorney's Office for the District of Delaware has confirmed petitioner as being Christopher W. Clemons, by way of finger prints, photo identification, and NCIC. Thus, petitioner now appeals to this Honorable Court to correct the name of petitioner by way of **ORDER** replacing the name of Clinton French with that of Christopher William Clemons; as instructed by the Records Department here at FCI McKean.

Respectfully Submitted,

Christopher Clemons

ORDER

For the reasons stated in the motion by Christopher William Clemons, a/k/a Clinton French, a/k/a Doeboy, a/k/a Chris Clemons, a/k/a Chris Collins; the Court directs that the record in Cr.A. No. 99-82 reflects Chistopher Williams Clemons as the true name of the defendant and not that of the alias Clinton French; in addition, the institutional indentification of the defendant should be changed to reflect the same.

Crim. No. 99-82

Dear Clerk of the Court:

This letter is a follow up letter to the most recent letter forwarded to your office on June 16, 2008 inquiring about the procedure to correct a alias which I am listed as in the judgement and commitment order. After forwarding the letter to your office I inquired about the same procedure to correct such a matter at the institutions record department here at FCI McKean. The record office informed me that I would need a Order from the court reflecting my true name which is Christopher Williams Clemons and the Court's authorization to make such a change.

Presently I have had the alias Clinton French for the past ten (10) years of incarceration and I feel as though its imperative that this be corrected due to new identification procedures and security measures which are taking place in America.

If I need to make a formal motion requesting such, please inform me to do so in order to rectify this matter.

I thank you in advance for your assistance and cooperation in this matter and hope to hear from your office at your earliest convenience.

Sincerely,

Clinton French
